

TOWN OF RANDOLPH & REPUBLIC SERVICES

Randolph via Republic Services is adopting a new way of disposing of bulky waste. Bulky waste (items that don't fit in the provided recycling cart or normal trash bin) account for excess disposal cost to our town. Many times, these items are usable to others, so we encourage all to recycle bulky items through charitable organizations, friends and thrift stores.

If you are unable to do so Republic Services will pick-up your bulky items such as mattresses, couches, and other furniture. . The rule of thumb is - if it does not fit into the cart that was provided to you for recycling, it is bulk waste.

To make arrangements to have these items removed, please call Republic Services directly at **1-781-289-0500** or **1-800 222-5158** and speak to a Customer Service Agent to schedule a pick-up between 9:00 AM & 5:00 PM, Monday through Friday. All items will be collected on **Fridays**.

Republic cannot collect:

- automotive parts
- construction materials, wood, asphalt, brick, concrete
- hazardous waste
- refrigerators, dishwashers, dryers, metal appliances (call the Board of Health for these)
- Trash generated from "outside" of the Town is not considered Randolph waste and will not be picked up.

Please note large move in / move out events are not considered regular curbside trash and will **not** be collected. Instead, it will be considered as multiple bulky items and will require that homeowners hire a separate dumpster service. Republic Services and other haulers can coordinate this as well.

NOW NO CHARGE DIRECTLY TO THE RESIDENT (Per property limit: 3 item max per week) subject to change

BULK ITEMS LEFT ON PROPERTY FOR MORE THAN 1 WEEK WILL RESULT IN FINES UP TO \$100/DAY
